INTRODUCTION

We are excited to unveil our new software to you! The following documentation will summarize the new capabilities you'll enjoy with our eConnect Web Portal.

eConnect was designed to grant you, our client, greater control over your temporary and permanent staffing solutions. You will find it is easily accessible through our website. It is designed to keep us in greater contact with each other.

eConnect uses Secure Socket Layer (SSL) certification features for your protection throughout the application, so you can rest assured that each and every function it performs will not jeopardize you or our employees security.

Do not hesitate to call us with any remaining questions or comments about what you read below and how eConnect will positively impact your business.

GETTING STARTED

REGISTRATION

You will receive a Welcome Email from us inviting you to register on our eConnect Web Portal site. After you receive the confirmation email you may register. The email will contain a link directing you to the site. When you click on the link you will be brought to the eConnect registration page.

Account Registration

You're just a few moments away from getting your account setup. Please verify and complete the information below. When you're ready to continue, click the Register button.

Step 1: Select an account name.

Select a suggested account name from the list.

- cynthia.britton@demo.eempact.com
- cynthia.britton
- cynthiab

If you would like to choose your own account name, enter it in the box below. Your selection above will be ignored if you enter an account name. You can use the upper or lower case letters A to Z, the numbers 0 to 9, hyphen, underscore, period, or the at-symbol. You can enter up to 75 characters for your account name.

Step 2: Select a password.

You'll need to select a password. You can enter up to 15 characters for your password.

Select a password

Re-type your selected password

Step 3: Complete your registration.

Complete your registration by clicking the Register button.

By clicking the Register button you are stating that you are eligible for an account, have the legal right to view the information associated with this account, and are at least 18 years old.

I agree and consent to the [Terms of Service](#).

Visit the [Account Maintenance](#) page to have your account information sent to your email address. You can also use this page to enter a different registration code.

You are given the opportunity to select a Login ID. eConnect will suggest some possible Login Id's using your email address and first/last name combinations. You may select one of the suggested ID's or you may create your own using up to 75 characters.

Next select your password. The password may be up to 15 characters. This is a secure password that members of our staff will not have access.

Step 3 asks you to agree to our terms of Service.

The last step is to click the Register button. After clicking the Register button you will automatically be directed to the main eConnect page.

CONFIRMATION EMAIL

After registering you will receive a confirmation email, verifying your successful registration.

ACCOUNT INFORMATION EMAIL

If you forget your eConnect Login ID and/or password you may request the information be sent to you by accessing our eConnect site, and clicking “Forgot Sign In?” link on the Login page

Client and Customer Sign In

Enter your account and password below. Click the Sign In button to continue.

You may view this list by Weekending date and filter by Status and Supervisor. The options for Status are “All” and “Not Entered”.

The options for Supervisor are:

My Items – This is the timecard where you are the Supervisor of the employee.

Other Contact Names – Other Contact names may be available for selection in this list. If this is the case, then you were designated as the Alternate Approver for another Supervisor. A specific Contact name can be selected in this list.

All – Selecting All will display all items where you are the Supervisor as well as all timecards where you are the Alternate Approver.

Clicking the New link [new](#) will display the blank timecard for entry. After entering the time, you may either click:

which will Save the timecard but leave it in Pending status since it will not be Approved.

which will Save the timecard and simultaneously Approve it.

Cancel

will exit without saving any changes that may have been made.

APPROVING TIMECARDS

After an Employee or one of our staff members enters in timecards and Saves/Submits them, they will then be available for you to Approve. You will receive a reminder email or you may simply log into eConnect with your Login ID and password and click on the Enter and Approve link under the Web Timecards section of the left side menu.

You may view this list by Weekending date and within the Weekending date may filter by Status and Supervisor. The options for Status are "All" and "Not Entered".

The options for Supervisor are:

My Items – This is the timecard where you are the Supervisor for the Assignment.

Other Contact Names – Other Contact names may be available for selection in this list. If this is the case, then you were selected as the Alternate Approver for another Supervisor. You will want to use this selection if someone you are a timecard approval backup for is on vacation or unavailable. A specific Supervisor name can be selected in this list.

All – Selecting All will display all items where the Contact is the Supervisor as well as all timecards where the Contact is the Alternate Approver.

Weekending Status Supervisor

The view allows you to see, at the top of the window, each process the timecard has gone through as well as who was the authorizing user for that process. Details regarding the timecard are displayed below. If you click on the details link next to one of the processes, the timecard details will change to reflect hours and comments that existed at the time the timecard was in that particular stage.

VIEWING TIMECARD HISTORY

You may view history and audit trail of the timecards that originated in eConnect. To view timecard history, click on the History link under the Web Timecards section of the menu bar on the left side of the eConnect window.

The following window will display:

Web Timecards

Use this page to find previous web timecards. Enter your search and click the Find button. The following searches are available:

- Use **last #** to specify the number of most recent web timecards to show.
- Enter any date in **mm/dd/yyyy** to find by weekending.
- Enter a **number** to find a specific web timecard number.
- Enter any **alphabetic characters** to search within the employee names.

From the web timecard listing, use the details link to view web timecard history and audit trail information. An asterisk (*) indicates the web timecard has comments.

There are no timecards to list.

You may search for historical timecards using five different methods:

1. **X amount of last timecards.** To search for the last timecards, enter the word "Last" followed by a space, followed by a numeric value. Then click the Find button. In the example below, the search results will return the last 25 timecards.

2. **Weekending Date.** Entering a weekending date using the MM/DD/YYYY format will return all timecard for that specific weekending date.

3. **Web Timecard Number.** Each timecard in eConnect is assigned a unique number. This number is displayed in various places throughout eConnect in reference to the timecard. To search by Timecard Number enter the Web Timecard number then click the Find button. Do not enter the WT in the search criteria, only the numeric value.

4. **Confirmation Code.** After an Employee submits a timecard, they receive an on screen notification of their timecard Confirmation Code as well as an email that references the timecard Confirmation Code. To search for a timecard using the confirmation code, enter a colon (:) followed by the Confirmation Code. Note that you only need to enter the numbers that appear AFTER the colon in the Confirmation Code, not the numbers preceding it. A sample of a Confirmation Code would be 1EB22D76:121. When searching for this timecard you would enter the following:

- Employee Name/First or Last.** To look up timecards by Employee Name, enter in any combination of letters contained in either the first or the last name. For example, entering either “ete” or “ederic” will return results for all of **Peter Fredericks’s** eConnect Timecard.

After you have searched using one of these methods, a listing of timecards matching the search will display.

GENERAL FUNCTIONS

CHANGING PASSWORDS

If you would like to change the password for your eConnect account, you may click on the Change Password link under the Other section of the Menu Bar on the left side of the eConnect window.

When you click on the link the following window will display:

Change Account Password

You can change your password below. You'll need to enter your existing password, select a new password, and confirm the new password. You can enter up to 15 characters for a password. Click the Change Password button to continue with your password change. Click the Cancel button if you've changed your mind and just want to go back to the previous page.

Enter your old password:

Select a new password:

Re-type your new password:

Enter your old password in the appropriate field, then enter the new password, and then re-type the new password. To submit the password change click the Change Password button

If the new password is not entered the same in both fields, you will receive the following message:

Your password selections do not match. Please make sure your selected password is the same as your re-typed password.

SIGN OUT

If you would like to sign out of your eConnect session, simply click on the signout link under the Other section of the menu bar on the left side of the eConnect window.

The following window will display confirming the sign out was successful:
